

WI Report – July 2023

Despite there being no monthly meeting in August this hasn't stopped some of our members getting together.

There was of course the Cream Tea which proved a great success with over 50 visitors enjoying the delights of homemade scones; we were so lucky with the weather. The event made £560 profit which will go to support local causes.

Thank you, George and Anna for the use of your garden.

An enjoyable lunch was had at The New Inn in Shipton Gorge where the landlady made us feel most welcome. Our next get together is for Brunch at The Hive, Burton Bradstock.

The book group had a very in-depth discussion on the novel, 'Rubbernecker' by Belinda Bauer. With the number of story lines threading their way through the novel there was plenty to consider. Although rather graphic in places (students dissecting a cadaver!) everyone found the novel a good read. The next meeting is on 11th September at 12.00 in The George where members will be selecting one of Kate Atkinson's novels to compare and contrast.

A few years ago, the Craft Group made poppy brooches to sell in aid of the Royal British Legion. This year the Craft Group plan to make wet-felted poppy brooches led by Tish and here they are learning the technique.

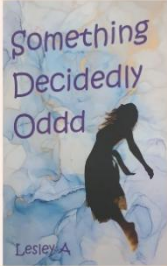

A few members of the Walking Group were able to select a fine day for a walk on Stonebarrow taking in the magnificent views.

Tuesday 5th September at 2.00pm is the date of our next meeting we hope you will be tempted to join us. The speaker is Lesley A Wyles, a local author, whose talk is entitled, 'Something decidedly Oddd' and no that is not a typing error!
